## Keep Keeping ON

Ok, that is a really old saying, but we need to stay the course as we move through Summer. We were a little low on singers last Sunday morning so I hope everyone will do their best to be back this week. Invite someone new to join us in choir when we rehearse again on July 25. Next Wednesday we will be enjoying a baseball game at Whataburger Field so use your new CD's this next week to really learn the newer music.

On Sunday we are singing "How Deep the Father's Love for Us" in the 8:45 worship. I hope you will be here to help lead our worship.

Jesus Paid it All,

Johnny
