JUNE NEWS

Elmore Class—Carolyn Blackmon

On Wednesday, June 6, First Baptist will begin our new Family Encounter at 5:55 p.m. in the Chapel. We will meet as a family and begin the evening with a time of prayer and worship, then divide into groups: children, students and adults.

Happy birthday to the following members who have June birthdays: 6/7 - Shirley Eads; 6/9 - Carolyn Blackmon; 6/19 - Karl London; 6/25 - Marie Marshall; and 6/29 - Burford Duckworth. We also wish Rich and Elaine Bates a happy belated 33rd wedding anniversary.

June Littlefield, along with her daughter, Julie Howard, traveled to Georgia to attend the wedding of June's son, Dr. Robert Moss. We heard the good news that Janet Bobo has returned home and will be back with us as soon as her strength returns. Al and Claire Hook had their son and daughter-in-law visiting the weekend of May 20.

As usual, we have enjoyed wonderful music this past month thanks to the Music Ministry. Loyd and Louann played "The Lord's Prayer" on the organ and piano then Johnny and his 9-year-old daughter, Emma, played "He's Got The Whole World in His Hands" on the piano and ukulele. We are also really missing Marie Marshall's piano prelude while we are entering the Chapel and hope she will be able to return soon.

Please keep the following class members in your prayers: Dr. Quinton Williams, Walt and Trish Strobel's son, Mary Shockley, Jane Scott, Dr. Sim and Ruthie Reeves, Pat Murphy, Marie Marshall, June Littlefield, Ophelia Litchfield, Dale and Ardis Eiben, Faye Creely, Janet Bobo, Rich Bates, and Herb Arbuckle.

Thought for the Day: An entire sea of water can't sink a ship unless it gets inside the ship. Similarly, the negativity of the world can't put you down unless you allow it to get inside of you.

Carita Class—DonEtta Beaty

The class meeting was held on May 17; 12 class members were able to attend. Doris gave a devotional remembering those on our prayer list. Faye Medina is in the hospital. She is in ICU awaiting tests and possible surgery. Beverly's son, John, is improving and was able to return home this past week. Dorretta is having issues with her legs. She is in the Dominican and said she couldn't be in a better place with health issues as all are watching out and taking care of her. She is loved by all for

the years of dedication and devotion serving the Lord in the Dominican.

Doris and her husband joined the Gideon organization in 1992 and after her husband's passing, she continued her work and service with the Gideons. Every spring the Gideons have a "Bible Blitz" in designated locations and this year Corpus Christi was chosen. During a three and a half day period from Sunday through Wednesday, the Gideons distributed 40,000 to 45,000 Bibles. They stood outside schools to pass out Bibles to anyone who wanted one, visited nursing homes, doctor and dental offices and with permission left Bibles in waiting rooms or gave the staff copies of the New Testament. The ladies traveled in teams of five as they visited the various locations. Doris isn't able to participate as a team member, but she is very active in organizing the event which is a year long project. Thank you Doris for your dedication and service.

Michelle Mock flew to north Texas where she met her father and they then joined her sister and her husband on a road trip to Fort Worth to experience the flavor of the old west at the Stockyards, then to Austin for a tour of the Capitol and finally to Corpus Christi. While here, they enjoyed Port Aransas and Rockport. It was a great family time.

Our prayers and love are with our class members and their families who are facing health issues. We ask God's blessings and healing hand for their recovery.

The next class meeting will be August 16 when the new class books will be available and new officers will assume their duties.
